

MEMO ENDORSED

9-9-15

Dear Judge Berman

I know that as being a judge you probably don't get too much "fan" mail, but I wanted to write to you to thank you for nullifying the suspension of Tom Brady. I am proud that you stood up to Roger Goodell. I, along with every other Patriot fan, knew that the punishment he ~~gave~~ levied against Brady was absurd without having any real proof. At any rate, thanks again! You are the real MVP!!
